### Summary Recommendation

Staff is recommending two (2) minor adjustments to the existing First Time Home Buyer’s Program. The first amendment pertains to establishing a minimum grant award in the amount of $1,000 where previously there was no minimum. The second proposed amendment removes the reference to $5,000 in Section 1 as the City’s contribution.

### Executive Summary

The First Time Home Buyer’s Program was started in May of 2018 as a part of the neighborhood revitalization program. The purpose of the program was to assist first time home buyers while encouraging owner-occupied dwellings within the City. Since the program began, four (4) grants have been awarded. Staff has discovered that the current language of the ordinance needs minor adjustments in order to make the program more flexible and to further encourage more participation.

The first requested amendment establishes a minimum grant value of $1,000. Currently the program establishes a maximum grant amount of $5,000, but no minimum grant amount is referenced. Staff is requesting to establish a minimum of $1,000 for the First Time Home Buyer’s Grant.

The second requested amendment clarifies the variability of the City’s contribution and the required matching funds by removing the reference to $5,000 in Section 1 related to the requirement of matching funds of 100%. This section references “City’s contribution” throughout until the reference to those buyers with 80% or higher Median Area Income (MAI) where the reference is to the City’s “$5,000 contribution”. While this has not precluded a grant being awarded as the City Manager’s interpretation is that the lack of reference to the City’s contribution amount of $5,000 until this point allows a grant award to be less than $5,000 amending this section to remove the reference to the dollar value clarifies the ability of the City contribution to vary between $1,000 and $5,000. The recipient is required to provide matching funds based on their MAI (see graph on page 2). Some of the requests being made are not for the full $5,000, but instead a lesser amount and this clarifies the ability to award an amount that is less than the full $5,000.
**Recommendation**

Staff recommends approval of the *Ordinance amending the First Time Buyer's Program Appointing Members of the Board of Building Code Review (NAMES)*.
