

# EFFECTIVE TUESDAY MARCH 17TH

## CITY HALL SERVICE COUNTERS

Effective Tuesday, March 17th, City Hall's service counters will be closed to the general public in order to protect the health and safety of our staff. This includes the water billing counter within the Finance Department and the building permit counter in the Community Development Department. While there will be no public access, both departments will remain open and be accessible via phone or email.

All new applications may be submitted via mail, email, or drop box. All applications may be viewed online at <https://www.collinsvilleil.org/departments/community-development/applications-and-forms>.
