	Commercial - 8" tap size	\$14,000.00	13.16.410
<p>Infill development: Existing lots with an existing ¾" water service will receive a "worth value" of \$1,000.00 toward the appropriate tap fee based on size (i.e., current 1" tap fee is \$2,500.00 less "worth value" credit of \$1,000.00 = \$1,500.00 tap fee)</p>			
7. Water meter, second connection fees	Residential - ¾" tap size	\$1,200.00	13.04.170
	Residential - 1" tap size	\$1,500.00	13.04.170
<p>Note: the above costs are for a normal straight tap (water line in the yard on the same side of the street). Fees stated above do not include excavation into the street or bores under the road. Additional fees that may apply include: 1) excavations into the street which would add approximately \$700.00 to each tap for proper backfill and street repairs; or 2) bores under the street would add approximately \$500.00 to each tap for the additional labor and boring unit time. Tap size larger than 1" would increase the tap-on fee. Additional fees may apply which will be determined by the Public Works Department Director.</p>
