Located on 40 acres of bluff line prairie and woodland overlooking the American Bottom, Willoughby Heritage Farm and Conservation Reserve offers opportunities for education and recreation in the heart of Collinsville. With over 30 acres of wildlife preserve complete with hiking trails, visitors are bound to find a favorite spot on the farm. The farm hosts field trips, educational activities, and recreational programs, and is available for private rentals. Give us a call or follow us on Facebook @WilloughbyFarm to find out more!
